Governor Prouty has a new 40-horse  
power Oakland touring car, and Lieut.  
Gov. Mead has a new Winton Six which  
he purchased at the Boston auto show.

Abraham Stowe of West Berkshire cele-  
brated his 97th birthday Sunday, March  
21. All his children were present Satur-  
day to help him celebrate with the ex-  
ception of Mrs. Horace Ewins of Water-  
bury. Mr. Stowe is hale and hearty for  
his age.

A 12-foot butt of a birch tree was  
hauled into Island Pond this week and  
scaled 770 feet. It measured 48 inches  
through, was as round as a cherry and  
perfectly sound. It was a part of a  
tree cut by W. S. Carter and scaled 1,400  
feet.

nothing this year. The result is a  
net gain of \$800 over last year, a gain  
of 21 per cent. County Superintendent  
Buttolph also spoke during the morning  
session. At two o'clock the subject of  
maintaining the roads and expenditure  
of the money was considered at length.  
There were 23 road commissioners and  
35 selectmen present, besides a number

## Seek to Break Brigham Will.

Another attempt is being made to  
break the will of the late Peter Bent  
Brigham of Boston, a native of Vermont,  
involving about \$8,000,000, and which, if  
successful, would prevent the poor of  
Boston from having the now famous  
Brigham hospital. This attempt is in  
the form of a bill in equity. It has  
been filed in the United States circuit  
court by counsel for Brigham society  
at Bakersfield, and the Home for De-  
stitute Children at Burlington.

Both claim an interest in the Brigham  
estate under the will of a sister and a  
niece, respectively, of the testator. The  
bill alleges that the will is valid under  
the rule of perpetuities, which forbids  
the tying up of estates for more than  
twenty-one years. According to the  
terms of the will, the estate was held  
in trust for twenty-five years while Mr.  
Brigham's heirs were obliged to be con-  
tent with annuities and gifts, pending  
the accumulation of the estate for the  
benefit of the hospital.

One of the heirs, a nephew, Herbert  
F. Brigham of Bakersfield, sought to  
break the will shortly after the estate  
was turned over to the hospital, and  
although he failed to disclose the ex-  
tent of the will to such an extent  
that the trustees, Edmund D. Codman  
of Boston and Lawrence H. H. Johnson  
of Milton, Mass., appealed to the supreme  
court of Massachusetts for instructions  
regarding its provisions. Certain new  
legal phases of the will have been raised  
by the bill in equity, which, it is be-  
lieved, may have to be determined by  
the United States supreme court. Both  
the hospital and the trustees are made  
defendants in this bill.

The bill provided for the establishment  
of a general hospital for acute diseases,  
and not for chronic cases. It has been  
the intention to erect the new hospital  
near the new Harvard medical school.

This is a bill before the Massachu-  
setts legislature authorizing the Peter  
Bent Brigham hospital corporation to  
increase its holdings from \$5,000,000  
to \$7,000,000, because the fund has in-  
creased some \$400,000 over the \$5,000,000  
mark.

## RECENT DEATHS OF VERMONTERS.

Daniel B. Bishop died Sunday evening  
of pneumonia at his residence in Jericho.  
Had he lived until July, Mr. Bishop  
would have been 83 years of age. He  
was a lifelong resident of Jericho and  
one of the best known men in that vic-  
inity. He had been in feeble health all  
winter, but had been confined to the  
house but a few days. Mr. Bishop was  
survived by three children, Mrs. Willard  
Ferguson of Williston and Dr. Rufus  
Bishop and Clark Bishop of Chicago, one  
sister, Mrs. Betsy Lane of Minneapolis,  
beside his second wife, who was Miss  
Emma Hammond of Des Moines, Ia.

## EIGHT INDICTMENTS.

volved in Boston.

Boston, March 25.—Eight men, repre-  
senting prominent concerns interested in  
the structural steel trade, yesterday  
surrendered to the police of this city,  
in connection with indictment recently  
returned by the grand jury charging  
conspiracy to defraud the city of Bos-  
ton.

The men are Albert S. Miller, jr., of  
Worcester, Elmer F. Smith of Marion,

ter, Frank E. White of Malden, John

lins of North Chelmsford and John Wilson  
of Somerville connected with the L. M.  
Ham firm of Boston. Promptly upon  
their arrest and shortly afterward were  
given a hearing before Chief Justice  
Aiken of the superior court. Miller,  
Collins, Witham, Ham and Ripley, en-  
tered pleas of not guilty. Penneycook,  
White and Smith declined to plead.

Fudge Aiken fixed bail at \$5,000 each  
furnished bonds.

## JAIL FOR "JOY RIDES."

State of Connecticut Likely to Have a  
New Law.

Hartford, Conn., March 25.—A revision  
of the Connecticut automobile law which  
is soon to be reported to the general  
assembly, fixes a jail penalty for "Joy  
rides," the maximum being two years.

The speed provisions of the present law  
are unchanged, the being limit, al-  
though under the rule of evidence a rate  
of twenty-five miles an hour may be  
taken as prima facie evidence of reck-  
lessness. Many changes under the rule  
of road are made, compelling slow  
speed in approaching crossings and in  
passing trolley cars. Registration fees  
are raised and they are next to the  
highest of any state in the country. Non-  
residents will have to pay \$1 fee upon  
entering the state, a provision in force  
only in New Jersey. While a fight is  
expected over the revision of the law,  
the committee reporting it expects the  
adoption of most of the changes.

## PREVENTING BREAD FAMINE.

Over 1,000,000 Bushels of Wheat Import-  
ed Into Mexico.

Mexico City, March 25.—It is officially  
announced that over 1,000,000 bushels  
of wheat have been imported into this  
country since the first day of January,  
and that much more will have to be im-  
ported to prevent a famine. The Mex-  
ican crop was almost a total failure.  
Reports from remote interior regions in  
many instances tell of a flour famine  
now. From Zacualpan comes the report  
that it has been impossible to get flour  
for three weeks.

## LIFTING CATTLE QUARANTINE.

Only Few Places Under Embargo in New  
York and Pennsylvania.

Washington, March 25.—Effective  
Friday next, the federal quarantine for  
foot and mouth disease will be en-  
tirely lifted from the state of New  
York and from Pennsylvania, with the  
exception of a few localities, as the re-  
sult of an order issued yesterday by  
Secretary of Agriculture Wilson.

## Mr. Ericson's Old House.

Go see it; it's a beauty. It stands out  
among all its neighbors, because the col-  
oring is so bright and clear. Mr. Ericson  
painted with L. & M. Paint and says it  
cost 1-3 less than ever before. He bought  
only 12 gallons of L. & M. Paint and 9  
gallons of linseed oil to mix with it.  
This made 21 gallons of pure paint, and  
cost only \$1.20 per gallon. It's as hand-  
some as the finest in town. The L. & M.  
is sold by:

## GOT HIS HAIR BACK.

Was Perfectly Bald When He Started  
to Use Newbro's Herpicide.

Frederick Manuell, Maryland block,  
Butte, Montana, bought a bottle of New-  
bro's Herpicide, April 6, '08, and began to  
use it for his baldness. The hair fol-  
lowing in his scalp were not dead and in  
20 days he had hair all over his head.  
On July 2 he writes, "and today my hair  
is as thick and luxuriant as any one  
could wish." Newbro's Herpicide works  
on an old principle and with a new dis-  
covery—destroy the cause and you re-  
move the effect. Herpicide destroys the  
germ that causes dandruff, falling hair,  
and finally baldness, so that with the  
cause gone the effect cannot remain.  
Stops falling hair at once and a new  
growth starts. Sold by leading  
druggists. Send 10c in stamps for sample  
to The Herpicide Co., Detroit, Mich.
